- Easy questionnaires elucidate problems
- Teaching tools to master methylation

Dr. Allomong puts the “**practical**” into **Functional Methylation**. Log into www.NutriWest.com to see Dr. Jared’s archived webinars and get introduced to the techniques that get your patients well!

***Let your DNA speak
to
Finding Wellness!***

“**Methylation** is the process by which genes are turned on or off by certain compounds without changing the genes themselves. **Methylation** is the key process that is studied in the field of epigenetics.”

*Sharon Moalem,
Survival of the Sickest*

Date/Times: Saturday June 3, 2023 - 9:00 am – 6:00 pm
